CAC and Innerstate Ike are two well known Hip Hop artists from the Denver Metro area. Each performed in hundreds of shows throughout the state as well as on a national level. On Sunday, September 25, 2005 both were senselessly shot, and both are in critical condition at a Denver area hospital.

Family, friends and supporters are rallying around both families to highlight the careers of both men. CAC, (aka Qutice McGaughy) and Innerstate Ike (aka Michael Hope). Both families stated collectively,

"We want something good to come out of this terrible tragedy involving active Hip Hop artists in the Colorado community. CAC and Ike loved making music. They loved sharing their experiences with their community. We are all so grateful for all the support from the community."
